Hellstrom's Hive (BCE) by Frank Herbert | eBay

Hellstrom's Hive. When anyone mentions the name Frank Herbert most people will instantly think of Dune, a novel that has achieved an incredible success but also overshadowed anything else Herbert created since (Dune was only his second published full novel).

Hellstrom's Hive, a book by Frank Herbert | Book review

The Hive is essentially an alien world with it's own philosophy, goals, and agenda. Herbert skillfully switches between the two factions and tells the story both from the perspective of the members of the agency and the hive inhabitants. So we get a unique look on what really drives Hellstrom and his people, and how they view the outside world.

Hellstroms Hive | Terminally Incoherent

Hellstrom's Hive, Frank Herbert. Purchase Online. About the Novel. America is a police state, and it is about to be threatened by the most hellish enemy in the world: insects.
