Mapping the disagreeing scale against a second scale that measures how emotionally expressive a culture is will help to understand that emotional expressiveness is not the same thing as comfort in expressing open disagreement. To order: The culture map - Decoding how people think, lead, and get across cultures

Review: The culture map - Decoding how people think, lead ...

The Culture Map works by positioning cultures up and down each of these eight scales allowing the manager to tease out the similarities and differences between two cultures on each scale. When examining the 8 dimensions what matters is not the absolute position of either culture on the scale but rather the relative position of the two cultures.
