### The Deep State The Fall

Mike Lofgren is an important writer and thinker. A former Senate staffer (R), He wrote a book called The Deep State: the fall of the Constitution and the rise of a shadow government. Others have written about the concept of the deep state, but he is the first in recent years that has come from within the system.

### The Deep State: The Fall of the Constitution and the Rise ...

Lofgren describes the Deep State as somehow floating above the constitutional state - a metaphor that makes sense when you realize that "above" also means "above the law" - which is why no one is in jail for designing, approving, and ordering regimes of torture; or committing mortgage fraud so extensive that seven million Americans lost their homes; or designing and overseeing the warrantless surveillance of millions of innocent Americans and foreign heads of state.

The Fall of the Deep State May Not be Dramatic The Deep State may appear to be winning, but in many ways it is essentially leaving itself open for its own demise by taking down Netanyahu. In a sense, it in itself has focused all of its energies on one man ignoring that Israeli society has completely changed in the last decade.
